## crowd pullers

Hand-crafted in small batches using modern technology whilst respecting the ancient art of brewing. The Porterhouse brews some of the finest beers in the world using only malt, hops, water, yeast, no chemicals and unpasteurised.

Many others say similar but we simply don't believe them.

We pride ourselves on the quality and unique taste of the stouts and beers we brew, so much so that Porterhouse stouts and beers are only available in a Porterhouse Pub, this ensures quality from grain to glass.

3 great stouts, 3 ales, 3 lagers, 1 Weiss & specials all on the premises. Including one of the largest selection of bottled beers. Only available in Temple Bar Dublin, Bray, Covent Garden and Barnes London. And now open in Glasnevin, Dublin.
